

ORDERING OUR CARDS - CALENDARS & NOTEPADS

For more than 130 years Barnardos Australia has been at the forefront of child protection, finding real, permanent solutions for Australian children in desperate need. Every day in Australia there are 130 substantiated cases of abuse or neglect of children\*.

Barnardos Australia believes that every child has the right to be safe at home. Barnardos Australia helps to stop child abuse by working with families to make them safe within their own homes or finding safe homes for abused children through foster care and adoption. We believe every child deserves a safe and loving home in which to grow and develop.
